## BFBS and Hornbill School Movie Night

Following the success of our movie night with the families who were in Brunei in October 2022, we are pleased to announce that on Friday 3rd March at 18:00, BFBS, AWS, HHH and school are working in partnership to hold a second movie night.

A letter has been sent home with more information.

## School Tour

The school grounds and gardens are always commented on positively by anyone who visits Hornbill School. This week all the teaching staff took a photograph of their classroom before school started to show what we offer our children every day when they walk into school. These will be placed on our school web site. I have included some of the photographs below.

## School times—a thank you for your help

Thank you for arriving with your children in time for learning to start at 07:45. If you arrive after that time, please take your child to the school reception area where they will be registered as late for the session. A late registration mark is unauthorised absence for the registration session.
