Maths Morning

Thank you to all the parents of children in Foundation Stage, Year One and Year Two who attended our Maths morning. The maths treasure hunt was very popular as was the maths story telling station and the water activity.

Parents and children were able to investigate the application of maths in and around our classrooms and outdoor learning areas.

There will be a Phonics morning after half term for the same year groups to join in with on 6th June from 08:00 to 09:00 and we look forward to seeing you there.
