## Reports

I hope you have enjoyed reading the reports we have sent home this afternoon. They provide information about the whole curriculum and give you information about exactly where we have assessed your child to be.

If you would like to talk to a teacher, they will be available on Wednesday afternoon between 13:45 and 14:45. If you cannot make that time, please get in contact with school or directly with the teacher and an appointment will be made for you.

## Swimming

I hope you have been able to see your child swim over the last couple of weeks. Our swimming programme has been a success with children making very good progress and for most, they can now swim. This is an essential life skill and will help keep the children safe. I would like to say thank you to the teachers who have taught swimming each week and developed confidence and 'swim-ability' in all the children.

## Events—some highlights

There are some year group specific events which you will be invited to by the class teachers, but we also have some whole school highlights.

### July 2023

5th July— Parent open meetings all year groups

7th July—SAAFA Camo Day

14th July—Last Day of the School Year—FS2—Y6 school ends at 12:00

## Are you leaving?

If you are leaving Brunei on a posting between now and when school re-opens in August, please come to the school office so we can prepare all the paperwork required. It is very important we know which school your child is moving to.
